By ROBERT BERRELLEZ

HAVANA (AP)—A Cuban firing squad Sunday executed two more Americans from the small invasion force that Fidel Castro charged was part of a U.S. plot to provoke an incident at Guantanamo Naval Base.

The prime minister directly linked the 27-man expeditionary force that landed on Cuba's north-east coast Oct. 15 with mounting tension over the big naval base the United States holds on the island by treaty.

Castro said on television that the small band intended to create the pretext for U.S. intervention in Cuba by trying to form a "zone of operations and zone of perturbation" near the base.

The United States formally charged before the United Nations last Friday that Castro himself appeared bent on provoking an incident over the base.

Firing squad bullets just before dawn cut down a Louisiana adventurer and a former U.S. Marine seeking to avenge the Castro government's seizure of his father's Cuban plantation.

The two Americans were: Allan Dale Thompson, 36, a native of Queen City, Tex., who grew up in Mooringsport, La., and worked in fishing camps in that area.

Robert O. Fuller, 25, whose father moved to Miami, Fla., after confiscation of his property in Cuba.

Another American who landed with them, Anthony Zarba, 27, of Somerville, Mass., was executed with seven Cuban insurgents at the same firing range in San Juan Valley last Thursday.

A fourth American, Leslie Bradley, formerly of Minneapolis, learns his fate today when a military tribunal hands down its verdict after a two-day trial. Bradley and 12 others were charged with plotting a fake invasion of Nicaragua from Cuba to embarrass Castro. The Cuban Prime Minister continued on Page Four

## U. S. Tourist Convicted by Reds as Spy

MOSCOW (AP)—An American tourist expelled from the Soviet Union was convicted of spying.

The Soviet news agency Tass said the tourist, Mark J. Kaminsky, 26, a teacher from Jefferson Township, Mich., was sentenced to seven years imprisonment but was expelled after he pleaded for clemency and showed "sincere repentance."

The report said Kaminsky confessed before the military tribunal that he had collected intelligence information.

It specified that Kaminsky photographed military installations and carried a notebook containing coded notes about the location of an artillery base, radar installations and a military airfield.

Kaminsky had entered the Soviet Union last July 27 by automobile with another American tourist, Harvey C. Bennett, 26, of Tracy, Calif. About three weeks later they disappeared. Nothing further was heard of them until the U. S. State Department announced last Friday that they had been expelled for being in a forbidden area.

The two were said to have been ousted at the Soviet-Czechoslovak border town of Uzhgorod, so far they have made no contact with U. S. embassies on the western side of the Iron Curtain.

Tass said Kaminsky had been financed as a spy by an American organization, it called, the Fair Craft Fund. It said that Kaminsky told the court at Kiev that he "wanted to make some money."

Moscow Radio said Bennett testified against his friend, denouncing Kaminsky's activities and declaring "they were incompatible with tourism."

The two were arrested on Aug. 25 as they were going by car from Moscow to Minsk.

## Chestnut Trees to Be Tried Here

Reforesting with a disease free hybrid chestnut tree will be considered as a future project in several counties of southwest Arkansas it was stated in Hope Saturday by W. L. Shaddix, an official of the Southern States Forest Service, Inc., Birmingham 5, Ala.

Samples of bearing size trees are being shipped to some Commission Committees in Hempstead, Little River, Lafayette and Clark counties as a layout in prairie soils of this area Mr. Shaddix stated while in Hope.

The trees must have black top soil, with no fertilizer, and the holes should be as big as a wash-pot, with excavation left for collecting water after each rain, the visiting forest spokesman stated while in the Star office.

"Up in Surry county, N. C. the farmers are reforesting and have learned the sale of the nuts, which are exact reproduction of native trees, for commercial purposes," Mr. Shaddix further stated.

The Birmingham office will send free booklets and other literature to anyone interested. The Commission is financed by about 1,000 lumber, furniture manufacturing, and banking groups of both southern and northern states. The work was inaugurated throughout Arkansas and other states in 1939 with help of a nation-wide network out of Nashville asking for volunteer "brush top" fire fighters.

## Negro Rapist Is Sought by Police

HOLLY GROVE, Ark. (AP)—A Negro who raped a prominent widow here Saturday night was still sought today.

Officers said the woman, about 50, was grabbed as she got out of her car at her garage. The Negro, police said, clapped his hand over her mouth when she screamed, then dragged her into a yard and assaulted her. He apparently hid in a hedge. Officers declined to name the woman, who lives alone.

## Plan New Baptist Building

A building committee has been named by First Baptist Church of Hope to study plans and lay the ground work for the erection of a new Sunday School building and Chapel at Third and Main streets.

The committee, shown above, is headed by Ray Lawrence as general chairman (standing) and is composed of the following, left to right: Leonard Ellis, publicity chairman; John Hawkins, plans chairman; Cecil Blittle, landscape chairman; Perry Moses, construction chairman; Mr. Lawrence.

Bill Gunter, decorations chairman; W. T. Tate, equipment chairman; Fred Luck, memorials chairman; and Dr. John H. McClanahan, pastor. Absent when picture was made: Hendrix Sprague, finance chairman; and Bob Westbrook, kitchen planning chairman.

The group will study plans for the erection of building that would follow closely the architectural lines of the present sanctuary, and when completed will house a Sunday school attendance of over 200 persons. Present Sunday School attendance ranges around the one-mark.

The architectural department of the Southern Baptist Convention, Nashville, Tenn., will work with the local church group on plans and specifications, details of which will be announced as they develop. There has been no date set for beginning of actual construction, but it is hoped "ground

## Dag Vigorously Defends UN's Congo Policy

By MILTON BESSER

UNITED NATIONS, N.Y. (AP)—Secretary General Dag Hammarskjöld vigorously defended today the men directing the U.N. operation in the Congo and the multinational force of nearly 20,000 men under their command.

He spoke in the U.N. General Assembly to answer charges by Soviet Premier Khrushchev and others that the United Nations is working hand in hand with "imperialists" and seeking to impose a new colonialism on the new African republics.

"Let nobody be misled. Those many men from the very millions in Africa, Asia, Europe and the transatlantic countries who are serving the United Nations in the Congo, why are they there?" he said.

"They have left their families. They do not seek merits for future advancement in the home countries to which they want to return. They work against the heaviest odds under a continuous nervous strain, they have endless working days, they do not know whether all they do will not be swept aside one of these days by new waves of political unrest."

While Hammarskjöld was defending the U.N. role in the Congo he was under severe attack by the Soviets in the assembly's financial committee, which is lacking the quorum to vote on the Congo operation.

A. A. Roselin, the Soviet delegate, declared the entire civilian force in the Congo is heavily weighted in favor of the Western countries.

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP)—Fifteen countries on five continents pushed a resolution today to calm things down in the U.N. General Assembly after the stormy visit of Soviet Premier Khrushchev.

Indian Defense Minister V. K. Krishna Menon planned to introduce the resolution formally in a one-hour speech ending the general policy debate in the 90-nation assembly.

The resolution would have the assembly call for full cooperation with the United Nations, ask all countries to refrain from actions likely to aggravate international tensions and urge that immediate steps be taken to solve world problems.

It speaks of a deterioration in Continued on Page Four

## Conway Soldier Dies in Accident

PT. LEONARD, WOOD, Mo. (AP)—Billy Dale Hoggard, 24, a soldier from Conway, Ark., was killed Saturday night when the car in which he was riding missed a curve and rolled off an embankment.

He was the son of O. W. Hoggard of Conway.

The driver, Robert W. Warren, 25, of Gastonia, N. C., sustained multiple cuts and bruises. He also is a soldier here.

## 18 Violent Deaths in Arkansas

By THE ASSOCIATED PRESS

A total of 18 persons died violently in Arkansas during the week ended at midnight Sunday. One accident snuffed out five lives.

The worst single accident occurred near Pocolontas, where a car plunged off an open bridge into Carroll River, killing a Glenwood man, his three young granddaughters and a 14-year-old boy.

Five other persons died in traffic accidents, three were killed in construction mishaps, three died in shooting and one was killed in a log fall and one persons was slushed to death.

Arnon Wright, 35, North Little Rock Negro, died Sunday night after an unseen gunman fired a shotgun blast at him and another Negro on a North Little Rock street. Injured was Acie Cuksey, Wright's companion.

Police were searching for the attacker.

Juventino Caballero Hernandez, 20, a Mexican farm laborer, died Sunday of injuries received Saturday night when he was struck by a hit and run car as he walked along Highway 101 near Osceola.

Matt Spencer, 48, Texarkana, and Larilla Mitchell, 70, Hot Springs, both Negroes, were killed Saturday in a two-car collision near Ashdown on Highway 71. The other driver, Chester Lawrence Barrett, 39, of Nevada, Mo., and three other Negroes also were injured. All the Negroes were in a car driven by Edna Bagley Block, 54, a Negro, of Texarkana, who was injured. Three Negro children in the Block car escaped injury.

Under the measure workers would be paid at least 80 cents an hour the first year the act went in effect, 90 cents the second year and \$1 the third year and thereafter.

Agriculture and domestic workers would be exempted. The minimum would be lower for employees who receive tips and other gratuities as part of their pay.

Justice Sam Robinson also dissented. Justice George Rogers Smith did not participate.

## Try to Keep Wage Law Off Ballot Fails

LITTLE ROCK (AP)—The Arkansas Supreme Court today turned down an effort to keep a proposed minimum wage law off the Nov. 7 general election ballot.

Two justices dissented and another did not participate. William W. Leigh and R. B. Thomas, both of Little Rock, filed original actions with the Supreme Court, attacking the measure's ballot title, popular name and publication date.

The proposal is sponsored by the state AFL-CIO.

The suits were argued and decided jointly.

The plaintiffs contended that the proposed act was not published in a newspaper until 22 days before the election, violating signatures to refer the measure were submitted instead of 30 days before as required by law.

The publication date was June 5, and the first petitions were filed June 27.

The court majority, however, held that the controlling date of filing was July 7, the day the last petitions were submitted.

Justice J. S. Holl, speaking for the majority, said the court was definitely committed to the theory that the initiative and referendum amendment to the state constitution "should be liberally construed to effectuate its purpose . . . is that the filing date must be as late as the date the last petition is filed."

Justice Ed F. McFaddin, one of the dissenters, noted that more than enough signatures to assure a vote were submitted on June 27 and said that any above that figure were "mere surplusage."

He agreed with the plaintiffs that the measure should be kept off the ballot because of insufficient advance publication.

The court rejected contentions that "puritan coloring" was used in the measure's popular name to mislead voters.

And the majority said that the ballot title was "intelligible, concise and clear."

Under the measure workers would be paid at least 80 cents an hour the first year the act went in effect, 90 cents the second year and \$1 the third year and thereafter.

Agriculture and domestic workers would be exempted. The minimum would be lower for employees who receive tips and other gratuities as part of their pay.

Justice Sam Robinson also dissented. Justice George Rogers Smith did not participate.

## UN Forces to Occupy Rebel Areas

ELISABETHVILLE, the Congo (AP)—The United Nations forces are to occupy rebel-infested regions of northern and central Katanga Province, it was officially announced today.

A joint communique issued by the U.N. Command in Elisabethville and the Katanga government said the occupation will begin immediately.

Eventually all the important centers in the entire northern region of Katanga and parts of the central region will be garrisoned by U.N. soldiers.

Katanga government forces will continue to occupy their present positions, but the arrangement is that they will not be allowed to go into action during the period of U.N. occupation. Baluba tribesmen who favor Premier Patrice Lumumba have caused trouble for weeks in parts of this secession-minded province.

The agreement for U.N. occupation was reached over the weekend by Brig. Indarjit Bikhay of India, special military adviser to Secretary-General Dag Hammarskjöld, and Premier Moise Tshombe and members of his Cabinet.

Tshombe had been demanding for 10 days that the U.N. Command in Katanga allow him to fly Katanga police to trouble spots in the north. U.N. authorities refused.

Paul M. Adam Guest Speaker at Rotary Club.

A large group of members and guests were present at the Tuesday luncheon meeting of the Rotary Club at the Lee Hotel. Eight guests and 34 members were in attendance. The invocation was given by Rev. J. H. Robertson. The program was in charge of Robert W. Hambricht. He introduced his guest speaker Mr. Paul M. Adam, Supt. of pine seedling

nurseries at Bluff City and another near Little Rock, Arkansas. Mr. Adam has many years experience in the seedling industry. He has observed the seed from the pine cone to sprout and make a tiny pine, transplanted to a pot, over or waste land, grow in years to make pulp wood and other trees to make saw logs. In the process of the pulp wood many by products are secured from the wood. Turpentine, Nylon, vanilla, ex-

## Victorious Hogs Given Rousing Welcome

FAVETTEVILLE, Ark. (AP) — That blood-curdling "Pig Squeal" yell reached all the way from Yell to Fayetteville Saturday when the Arkansas Razorbacks beat Texas 24-21 on a field goal in the last 15 seconds, jumping back into the middle of the Southwest Conference race.

Four thousand fans mobbed the Hogs at the airport after the flight home.

This week Arkansas gets a break from conference play. And it's probably the loudest respite any team ever had. The Hogs must meet the nation's top team—Mississippi—in a night game in Little Rock.

The only detrimental thing about Saturday's comeback triumph over Texas is that it served warning on Ole Miss that the Hogs will be tough as a hillbilly's.

Now Arkansas and Texas have each lost a conference game and Baylor and Rice are unbeaten. Baylor still faces Texas and TCU.

Arkansas outgained Texas 233 to 162, thanks to the passing game. The Hogs got 138 in the air on nine completions of 18 passes while being held to 85 yards on the ground.

Texas ripped off a 14-0 lead in the first half on a one-yard plunge by sophomore John Allen Cook and another plunge by half-back Jack Collins. On the last play, McKinney flipped a 10-yard pass that Jim Collier caught just before falling into the end zone to make it 14-7 at halftime.

In the third quarter Dan Petty, a high school teammate of McKinney's at Texarkana, Tex., kicked a 25-yard field goal to put Texas out front 17-14. Then the Longhorns scored on a one-yard run by Mike Cotten.

McKinney fired a 19-yard scoring pass to Jarrell Williams to make it 23-21, and the stage was set for Cissell's game-winning kick.

Darrell Williams led Arkansas' ground game with 33 yards on 10 carries. McKinney got all nine completions for the 138 yards.

Rev. J. H. Robertson, C. H. Tompkins, T. E. Logan, Walter Hirst and D. L. McRae Jr. attended the breakfast meeting of the Presbyterian, Evangelical, and Methodist churches in Texarkana on Wednesday morning. Twenty-one members of the First Presbyterian Church attended the meeting on Tuesday evening.

Mrs. Tom Nelson returned to her home in Bisbee, Arizona on Wednesday after a visit with her mother, Mrs. Mattie Ellis.

Mrs. R. J. Byrd of Dallas, Texas has been the guest of her parents, Mr. and Mrs. B. D. Kick.

Miss Ginger Cruise, sophomore at Henderson State Teachers College, has been named one of the cheerleader for the 1960-61 school year. She is the daughter of Mrs. Lucy Lee Cruise.

Mrs. John T. McRae returned from Texarkana on Wednesday where she was the guest of her mother, Mrs. C. J. Taylor and other relatives.

Mr. and Mrs. Dwain Williams and eight-month-old daughter, Deborah Kay, have arrived from Dexter, Missouri and are at home in the Cox apartment. Mr. Williams is the new radio station manager for KTPA.

## Washington Lions Down Yerger 26-13

By PAT CARR

The Washington Lions of Texarkana, Arkansas, came from behind in the second half to defeat the Yerger Tigers 26-13 Saturday night at Hammons Stadium.

Most of the first quarter was played between Yerger's 30 and the Lions 35 yard line. Then the Tigers started to move as T. B. Cox moved up the middle and T. B. Warren around the ends. After Edwards hit Rutherford at the visitors' 4, Cox plunged over for the touchdown and also made the conversion.

With about 90 seconds remaining in the second stanza, Yerger got a scoring break via a fumble recovery at the Washington 11, but the Lions intercepted on the first play. The half ended with Yerger ahead 7-0.

In the second half the Lions wasted no time in getting on the scoreboard. QB Harvey Hill Ishai at the flops 6, Wilson scooted over for the tally. The point after failed.

The visitors were striking pay-dirt minutes after their TD again with possession at the Yerger 3. Ross also up the 3 yards for the second Lion TD. The point after failed again but they were ahead 12-7.

Ross started the last quarter scoring with the longest run of the night, a 64 yard touchdown gallop, his second of the night and the third for Washington. The PAT was good.

The Tigers' second and last score came when QB Edwards rolled out to pass but elected to run instead and it played off as he raced the side line for 35 yards and the TD. The conversion try failed.

The Lions' last tally came when Ishai plunged over from the 3 for his second touchdown of the game. The PAT was good.

Outstanding on defense for the Tigers were Trotter, Turner, Johnson, Griner and Edwards.

Yerger has its supposedly toughest foes ahead of it in Pine Bluff's Southeast Panthers, and Horace Mann's Bearcats of Little Rock both of whom hold victories over the teams the Tiger have lost to.

The Tigers also have to face El Dorado, Prescott and Idabel, Oklahoma. All of the aforementioned games are away.

Friday night at Hammons Stadium the Tigers will face the Jones High Dragons of North Little Rock in their Homecoming affair. These two teams fought to a 13-13 standstill last year in North Little Rock.

## Shoots Lose to Tech by 34-27 Tally

LITTLE ROCK (AP) — Saturday night's Texas Tech-Arkansas freshmen football game here might have been a hall-of-fame "Southwest Conference Quarterbacks of the Future."

Tech won 34-27 in a scoring scramble, but the score, as in any freshman game, will be soon forgotten. What will be remembered is the SWU debut of quarterbacks Doug Cannon of Tech and Fred Marshall of Arkansas.

Each scored two touchdowns and passed for a third and heralded promising careers at their respective schools.

Cannon went over from the two and the one and passed 40 yards to end David Parks for a third touchdown. Marshall scored from the one and the 24 and passed 63 yards to end John Whitaker for a third.

Tech grabbed an early lead, held a 20-14 advantage at half-time, and wrapped it up on touchdown runs by Cannon and full-back H. L. Daniels in the third.

Kenny Dean, a halfback, ran 22 yards for one Arkansas touchdown.

Daniels rolled up 100 yards rushing for Tech.

Cannon is from Levelland, Tex., and Marshall is from Memphis.

## High Interest Is Lashed by Kennedy

By EDMOND LE BRETON

En Route With Kennedy (AP)—Sen. John F. Kennedy lashed out today at what he called a high interest policy that benefits banks at the expense of people.

The Democratic presidential candidate, in a prepared speech, compared Richard M. Nixon unfavorably with former President Herbert Hoover, and sought to tie the vice president to the economic policies he (Kennedy) criticized. The Dayton speech was his major talk of his huge swing into Ohio marked by increasingly direct jabs at his Republican opponent.

Kennedy has been saying it is time to stop talking about the Chinese offshore islands of Quemoy and Matsu and instead discuss Cuba, Africa and what should be done to stimulate the U.S. economy.

Developing this theme in a national television interview (Meet The Press) and in several stump speeches, he said that what he termed Nixon's retreat to the Eisenhower administration position on the islands takes them out of the category of campaign issues.

He said Nixon has changed his approach to the subject and that now everyone appears agreed that the United States should not be bound to defend them unless they are attacked as part of an assault on Formosa and the Pescadores. But he said if Nixon insists on talking about the islands, he is willing to continue.

The first reaction from the Nixon camp indicated that the vice president would keep talking about them.

Kennedy said today that people are in trouble because of creeping unemployment, persistently de-

## President to Start 9-Day Speaking Trip

By MARVIN L. ARROWSMITH

WASHINGTON (AP)—President Eisenhower leaves today on a nine-day, coast-to-coast speaking tour which will take him into some of the major battleground states of the presidential campaign.

With the election only three weeks off, the White House is calling the 9,728-mile trip nonpolitical.

But many backers of the Nixon-Lodge ticket obviously hope the trip will reap dividends for the Republican standard bearers.

Traveling aboard an Air Force plane, the President will give a series of speeches.

The main event on the President's Detroit calendar is a major address tonight at the 43rd National Automobile Show dinner.

In that address and the others he will make on this tour, Eisenhower, unless plans change, will make no direct plugs for the GOP ticket. But he is almost certain to talk of the record of his administration, and his philosophy of Government, and Republican strategists are hoping that this live, if you want her home for a while, will pay off at the polls days.

Eisenhower will remain overnight in Detroit and fly on Tuesday morning to Red Wing, Minn., for a speech dedicating the Hiawatha Bridge over the Mississippi River.

The President will travel to his boyhood hometown, Abilene, Kan., for a brief visit at the new Eisenhower library and a stop at the grave of his mother and father. He is due in Denver late Tuesday afternoon and will remain there visiting old Colorado friends and just taking it easy, until Thursday morning.

The next state on the itinerary is California, which has 32 electoral votes at stake. Eisenhower will address the Commonwealth Club in San Francisco Thursday evening and speak in San Diego Friday at a luncheon sponsored by the Chula Vista Rotary Club.

Then he will go to the Palm Springs area, one of his favorite vacation spots, for a weekend of golf as the guest of George E. Allen, an old friend. A week from today, the President will travel just south of the border for a brief meeting with Mexico's President Adolfo Lopez Mateos at Ciudad Acuna. It will be their third get-together in two years.

After the meeting, Eisenhower will fly to Houston, Tex., for a motorcade and a speech that night before a special convocation of students and faculty at Rice Institute in Houston.

He returns to Washington the following day. Mrs. Eisenhower is not accompanying her husband on the cross-country tour, mainly because of the recent death of her mother, Mrs. John S. Doud.

## Disorders Stop With Smoking

SAN FRANCISCO (AP)—A disorder which appeared in four patients after they stopped smoking cigarettes vanished dramatically when they took up the habit again, says a medical journal.

These strange cases were reported by Dr. Ralph Bookman, of Beverly Hills, in an article in California Medicine, official journal of the California Medical Association.

The disorder was canker sores in the mouth and on the tongue. They developed a few days after smoking was stopped.

## 'Common Bible' Being Prepared

NEW YORK (AP)—A "common Bible" is now being worked out by a team of Protestant, Catholic and Jewish scholars, for use as a reader in public schools. Details of the plan were disclosed in an article prepared for the October 22 issue of the Catholic publication "America," by the Rev. Walter M. Abbott, S.J., associate editor of the magazine.

He said the joint translation, based on "modern philological studies," will come out in 30 paperback volumes to be released between January, 1962, and 1966. Doubleday and Co. will publish the work.

Raspberries, blackberries, dewberries, boysenberries and loganberries all are classified as brambles.

pressed areas and farm problems that strike the small farmer especially.

The 1960 troubles are real, even if they are not exactly like the depression of the 1930s, he said.

"There may not be Herbert Hoover but there is Richard Nixon," he added. "And sometimes I wish it were Mr. Hoover instead."

Kennedy said "for at least Mr. Hoover cared," adding "at least he tried to do something. But Mr. Nixon says he's satisfied. He says we've never had it so good."

## DOROTHY DIX

Bring Back Those Courtship Days

By HELEN WORDEN ERSKINE

Dear Helen:

After 14 years of marriage my wife has left me with five children aged 3 to 14. She took up with a married man that worked for me. He is older than I, twice as ugly, poor, and has a wife and four kids. Last week my wife filed suit to get all of our children and \$1,000 a month.

I am 40, good looking, don't drink or smoke, I have a good job, I can do or say to make her love me but, God know I love the dirt she walks on. Don't tell me to see a preacher. A dozen tried to help but no good. I make good money. —W. H. S.

Dear W. H. S.: There should be a school for husbands, as well as wives. The ideal husband is lover, friend, provider and partner—all in one. You seem to be long on talk of the record of his administration, and his philosophy of Government, and Republican strategists are hoping that this live, if you want her home for a while, will pay off at the polls days.

Dear Helen:

I hate every single member of my family. I am by no means perfect. I started my share of disagreements. I have felt this way about them ever since I can remember. I am 14 and know my mind and heart. I am only asking you if you know of any way I can break away from the family, even if it means going to reform school or an orphanage. I would like to live with another family, or person, where I could get the love I am not getting at home. —Unhappy

Dear Unhappy: Hate is a boomerang. It will destroy you and your family unless you reverse your thinking. No matter what they have done they belong to you and you to them, and until you come of age, they are responsible for your welfare. Just because they have failed you as parents (sic) by The Bell Syndicate, (if they have), there is no reason

to hate them. Write for "The Way To A Boy's Heart."

## Nixon Keeps Alive Issue of Quemoy

By HELEN WORDEN ERSKINE

HARTFORD, Conn. (AP)—Vice President Richard M. Nixon kept Quemoy and Matsu alive as a campaign issue today as he sought again to puncture Democratic strength in New England.

Herbert H. Klein, Nixon's press chief, said the Republican presidential candidate will have more to say about the status of the offshore China islands in campaign appearances here and in other Connecticut cities on which Sen. John F. Kennedy counts heavily for Democratic votes in November.

Kennedy repeated Sunday night that his stand on the defense of Quemoy and Matsu, apparently in line with that of the Eisenhower administration. And he said he is prepared to drop the islands from the campaign.

While Nixon himself weighed possible approaches to success in the last three weeks of the contest, Klein had this to say on the vice president's behalf:

"Until the senator clarifies his position, whether he is still in favor of surrendering the islands, we will feel it is incumbent upon us to discuss Sen. Kennedy's own stated views."

"If Sen. Kennedy now chooses to say that he no longer is in favor of surrendering the islands, I think it will be for the good of the country."

The White House Saturday declared President Eisenhower and Nixon were in agreement on the little islands a few miles off the coast of Communist China; that they should be defended against aggression that is ultimately pointed toward the Formosa stronghold of Nationalist China.

In the second of their televised debates, Nixon had said Quemoy and Matsu must be protected as segments of "the area of freedom."

Kennedy had said they should not be abandoned under the muzzle of Communist guns, but the termed them indefensible and called for a clearly drawn line of defense around Formosa.

## Instructor Saves Parachute Jumper

PARIS, ONL. (AP)—A young student, parachute jumper, falling helplessly at the end of a thin line, 3,200 feet above the ground, was rescued by an instructor for who slid down and opened his parachute for him.

George van Roosmalen, 21, of Woodstock, making his fourth jump with a local jumping club Sunday, became entangled in the line hanging from the plane from which he jumped. It wrapped his right arm tightly against his body and prevented him from pulling his ripcord.

The instructor, Alfred Coxall, 33, first started to cut the line. Then, realizing the man's arm was useless because the circulation had been cut off, he slid down.

The line snapped from the added weight just as he reached the other man, whose rip cord he managed to pull as they fell together. He waited a few seconds to get clear, then opened his own parachute. Both landed safely.

Woman's Day Program A Success at Bethel

The Woman's Day program at Bethel A. M. E. Church Sunday, October 16, was very successful. The Rev. Mrs. Clara Stuart, pastor of the Church of God, Gordon, Arkansas, and a prominent resident of Hope, was guest speaker at the eleven o'clock hour. She spoke from the subject, "Advances, Women of the Church." She used, as example, the life of Deborah, one of the great women of the Bible. Response was made by Missionary Irene Morris of the Spiritual Church of Christ.

Guest speaker for the afternoon was Mrs. O. C. Lewis, Guidance Counselor of the Yenger School System. Her subject was, "Women in Politics."

Special guests were members of the Cotillion, Charmettes, and Anna P. Strong Federated Clubs of the city and surrounding areas, and members of the Church of Christ, Garrett Chapel Baptist and Lenoke Baptist churches.

The financial report for the afternoon was as follows: Captains, Mrs. Hazel Williams, \$15.50; Mrs. Beatrice Bragg, \$26.50; Mrs. Mary Morgan, \$44.13; Mrs. Thelma Bishop, \$33.40; Mrs. Mary Chambers, \$62.54; Mrs. Fannie Alexander, \$125.65. Total reports, \$307.22.

## Court Ignores Johnson Case

WASHINGTON (AP) — The Supreme Court today declined to rule on objections by a Texas Democrat to the candidacy of Sen. Lyndon B. Johnson in the November election for both the offices of U.S. senator and vice president.

Michael E. Schiwele asked U.S. Dist. Judge Ben H. Rice Jr., in Austin, Tex., to issue an injunction against enforcement of a Texas statute which permits Johnson to have his name printed on the ballot for both offices. Rice dismissed the request on the ground no substantial federal question was presented.

Schiwele, in appealing to the Supreme Court, said such a question was raised because the Constitution bars one man from holding both offices simultaneously. Texas officials in a reply brief said the constitutional prohibition against holding the two offices does not apply to candidacy or to the election process.

ler said the plot was with U. S. State Department cooperation. Bradley faces a 16 years prison term if convicted. The others on trial with him are a Dominican, a Nicaraguan and 10 Cubans.

A prediction of more invasions against the Castro regime came from Fuller's grieving father, William, in Miami, Fla.

The younger Fuller, who served with the U.S. Marine in Korea, testified at his trial in Santiago that peasants had aided the invaders.

The court rejected appeals for clemency for Thompson and Fuller, contending that the Americans and the Cubans should get equal treatment.

Castro disclosed that one of his former cabinet members, Manolo Ray, was "one of the little leaders" of the counter-revolution. Ray, a bomb expert who fought with Castro against the regime of Fulgencio Batista, was replaced as public works minister late last year by left-winger Osmani Cienfuegos.

Castro admitted concern, however, about the allegiance of the Cuban navy. He threatened to dissolve the force unless it shapes up in thorough revolutionary fashion. He disclosed two big naval installations in Havana and Cienfuegos had been deactivated, along with several warships.

## Faubus Plans a One-Shot Campaign

LITTLE ROCK (AP)—Gov. Orval E. Faubus said today he will make a one-shot campaign for reelection in the general election in a television speech sometime in the next two weeks.

Faubus said it would be his only effort towards reelection against his Republican opponent, Henry M. Britt, who is conducting a statewide campaign and will visit 19 cities in the next five days.

Faubus said he would mention national politics in the talk, but that it would be devoted mostly to his reelection to a fourth term. The speech will be broadcast on a statewide hookup.

Faubus lashed at the "Party for Two Parties" scheduled tonight at Winthrop Rockefeller's Petit Jean Mountain ranch near Morrilton.

"Yeah, it's a two party show with all the money going to the Republican treasury," Faubus said. He said he received an invitation but added with tongue in cheek, "I'll be busy doing other things."

Secretary of State C. G. Hall was a bit indignant when he received an invitation to the affair. "I am a Democratic nominee," he said curtly. "I don't even know who sent me the invitation and why."

Rockefeller, the host at the two-party party, is a Republican and went on television a week ago to plug for Republican nominees and the two-party system. Money from the \$50-per-person affair tonight will be used to push the two-party system in the state in the next two years.

Britt said he will visit Arkadelphia, Gurdon, Okolona and Amity Tuesday. Wednesday he will be in Chidester, Comden, Stephens and Bearden. Thursday he travels to Greenwood, Mansfield, Hartford and Lavaea and makes a broadcast against enforcement of a Texas statute which permits Johnson to have his name printed on the ballot for both offices. Rice dismissed the request on the ground no substantial federal question was presented.

Schiwele, in appealing to the Supreme Court, said such a question was raised because the Constitution bars one man from holding both offices simultaneously. International relations "both in the General Assembly and in the world" and says there is a need to arrest this trend because peace is threatened.

There was a possibility that the assembly would begin debating the resolution this afternoon, after a speech by visiting King Frederik IX of Denmark.

Sponsors of the resolution are Austria, Bolivia, Burma, Ecuador, Finland, Ghana, India, Indonesia, Mexico, Morocco, Panama, Tunisia, the United Arab Republic, Venezuela and Yugoslavia.

The idea for the resolution was Menon's. A source said it came to him when President Sekou Toure of Guinea addressed the assembly Thursday.

The day before, a debate over colonialism had turned rowdy. Khrushchev had banged the desk with his shoe, and the assembly president, Frederick H. Boland of Ireland had adjourned the meeting abruptly after a Romanian delegate had hinted Boland was biased.

The executive committee of the IUE local at Pittsfield, Mass., has called upon the conference board to reconsider a company trade offer. The board scheduled a meeting in New York City Tuesday on the request.

GE's truce proposal is to extend the contract that expired Oct. 1, with the exception of a cost-of-living escalator clause, provided during negotiation of a new pact.

The officers of Local 301 at Schenectady accepted the truce Saturday night. They had been authorized by the local's membership to continue or suspend the strike as they saw fit.

The IUE seeks a three-year contract with a 3 1/2 per cent pay increase each year. Wages under the old contract averaged \$2.30 to \$2.40 an hour.

GE has offered 3 per cent immediately and another 4 per cent beginning April 1962. GE has insisted, however, on ending the cost-of-living escalator clause.

Approximately 20 sign-carrying pickets congregated at the main gate of the Schenectady plant, the headquarters facility of GE. Small groups of pickets patrolled at other plant gates.

There was no disturbance as some of the early reporting first-shift workers entered the plant.

Earlier, John B. Callahan, chairman of the IUE-GE conference board, which called the strike, said he expected IUE President James B. Carey to order the pickets in.

Frank Fiorillo, a member of IUE Local 301 here and secretary of the IUE-GE conference board, was among the pickets. He said others picketing the Schenectady plant and distributing leaflets to the returning workers were members of Local 301 and of the IUE-GE locals in Pittsfield, Mass., and Indiana.

Buses and automobiles carrying workers to their jobs were permitted to enter the plant grounds. A company spokesman said GE planned to resume full production at the Schenectady plant, which has been idle since Oct. 6, when the IUE's 8,700-member Local 301 belatedly joined the nationwide walkout.

The back-to-work move was the decision of leaders of Local 301. A spokesman for the local said, however, that the local did not contemplate seceding from the IUE.

Leo Jandreau, business agent for Local 301, said in a televised statement Sunday night he was convinced Carey "has nothing more in mind than having a fight to the end with GE, regardless of the consequences, even if this fight to the end results in dissolution of the union."

Callahan, of Schenectady, said he cast in Fort Smith. Friday he will be in Van Buren, Alma, Dyer, Mulberry, Mountainburg and Fayetteville.

Saturday he will attend a Seaway County Republican rally at Marshall where another speaker will be Harold Sadler, co-chairman of the Arkansas Volunteers for Nixon.

## Religious Group Insists on Peace

PARIS (AP)—The Roman Catholic hierarchy of France endorsed political self-determination for Algeria in a statement released today, but insisted on a regime of peaceful coexistence of the North African and European inhabitants.

Cardinals and archbishops drafted the statement in a three-day closed meeting last week that covered most of the major issues confronting the nation.

They condemned the use of torture to extract confessions or information from captured Algerian rebels.

Equally condemned by the church leaders were rebel terrorists' attacks on innocent civilians.

The strike still was on at the 55 GE plants across the nation. Carey, in New York, branded the back-to-work move as "a direct violation of the IUE constitution."

"We urge all locals to hold firm and continue the magnificent job they have done so far," Carey said.

The executive committee of the IUE local at Pittsfield, Mass., has called upon the conference board to reconsider a company trade offer. The board scheduled a meeting in New York City Tuesday on the request.

HOPE'S BOBCATS WENT DOWN BEFORE CAMDEN'S FAIRVIEW CARDINALS 14 to 7 in a Double-A Conference game here Friday night — but not without one or two bright moments such as this third-quarter action.

BOBCAT FULLBACK JOE MATT HERNDON (ARROW) MADE 12 YARDS THROUGH CENTER FOR A FIRST DOWN. IN THE PRECEDING PLAY HALFBACK FORD WARD HAD

carried for a 6-yard gain.

OTHER PLAYERS IDENTIFIED IN THE PICTURE ARE: HOPE TACKLE Billy Walters (61); Camden Guard Tommy Burton (30); and Camden Center Stewart Watson (43).

FAIRVIEW'S FINE DEFENSE BLUNTED MANY A BOBCAT THRUST. This picture, also made in the third quarter, shows Hope Halfback Larry Arnett (arrow) in a dash from the Bobcat 43 — only to be stopped cold on the 44. Blocking for him is Fullback Herndon.

### CHAPTER XXV

Oberst Kraft and Major Eggen had just returned from seeing off General Kaltenbrunner at Ciampino Airport and were seated across from one another at Kraft's desk mulling their relief in a schnapps.

"What an arrogant rodent he is!"

"How long have you felt this way?"

"Always."

"So have I. It's nice we can now be honest with each other, show if you will. Yesterday you think he believed our Hostrop story. "Well, what has this got to do with me?" . . . An order from us requesting you bring in all the pigeons in the city of Rome!"

"Ja. One moment, please!"

Kraft winked unobtrusively at Eggen across the desk. "Somebody's played a practical joke on you, Major. Absolutely certain no such order even went out of this office. Signed by whom?"

Major Eggen? Nonsense. Major Eggen's here with me now. This is a counter-intelligence organization, not a poultry farm."

"No, of course I don't want to interview the man. We haven't had time for such nonsense. . . Send him home. Give him back his uniform. ## Colts Blast Out 31-17 Victory Over Rams

By Mike Rathet  
Associated Press Sports Writer

Speedsters Lenny Moore and Bobby Mitchell, elusive packages of swinging hips and flashing feet, are dancing a touchdown in the pass-conscious National Football League while driving their teams toward divisional titles.

More, former Penn State star now in his fifth pro season, scored touchdowns on runs of 34 and 57 yards and caught a Johnny Unitas aerial for a fourth score as the NFL champion Baltimore Colts blasted the Los Angeles Rams 31-17 Sunday.

Mitchell, onetime Illinois stand-out in his third NFL campaign, returned a kickoff 90 yards for a touchdown, raced 30 yards for another and took a Milt Plum pass and ran 46 yards for a third score to pace the Cleveland Browns to a 48-7 thumping of the Dallas Cowboys.

Moore and Mitchell now are tied for the League's scoring lead with 42 points on seven touch-downs.

The Colt triumph, their third against one defeat, kept them in a tie for first place in the Western Division with the Chicago Bears, a half-game ahead of idle Green Bay. The Bears kept pace with a 27-10 victory over San Francisco.

The Browns' romp gave them a 3-0 record and edged them ahead of the defending New York Giants (3-0-1) in the Eastern Division.

cept for Ciccio and the two Ger-mans, not a man was in sight.

The German officer was appar-ently making a little speech to Ciccio and Livio, who stood with their backs to Luchino and Ros-sini. As he finished, he clicked his heels and saluted. First Ciccio and then Livio bobbed their heads in a bow of acknowledg-ment. The officer smiled and made a further remark as he reached in his tunic and brought out two 1,000-lire notes.

Johnny Morris' 61-yard touch-down run gave the Bears a 13-0 lead in the second quarter. A 37-yard scoring jaunt by Morris and Ed Brown's 91-yard touchdown pass to Willie Devoyall put it out of reach for Chicago.

Guglielmi, completing 13 of 10 passes while bringing the Red-skins (1-1-1) a 17-3 halftime deficit, arched a 23-yarder to Jim Podoley and Bob Khayat kicked the extra point to tie it against the Giants.

The Steelers (2-2) frustrated the Cards (1-3) with a pair of Bert Rechichar field goals, Tom Tracy's four-yard touchdown run and a 26-yard scoring pitch from Bobby Layne to Buddy Dial which built a 20-0 lead.

Clarence Peaks' one-yard touch-down smash gave the Eagles (3-1) Colonel is very sorry. And then an insurmountable 14-0 margin at he gave that Ciccio 2,000 lire! the half. Jim Martin's field goal "The officer didn't say why?" and Joe Schmidt's 17-yard scamp "No-o-o. They don't have to er with an interception brought say why." She croaked a coarse laugh.

## Oilers Come Up With Pass Thefts in Win

By Jack Glary  
Associated Press Sports Writer

Coach Lou Rymkus' of the American Football League's Houston Oilers might possibly have come up with a secret weapon that can tell in advance when a team is going to pass.

At least, it looked that way Sunday when Houston intercepted five Dallas aerials en route to a 20-10 victory. Going into the game the Oilers had swiped only five enemy passes in four previous games.

The secret weapon story got roots from the tale of a Houston man who walked into the team's office and announced: "I can sit in the stands and tell you per cent of the time when you are going to pass."

Though he didn't stick around to take up Rymkus' invitation to join the Oilers' defensive back-field, it might be hard to con-vince Dallas that there wasn't some other use Houston had found for him, especially since Dallas quarterback Cotton Davidson had lost only six of 163 passes in five games.

Los Angeles cut Denver's West-ern Division lead to a half game, beating the Broncos 23-19, as 41-year-old Ben Agajanian kicked field goals of 11, 26 and 47 yards. New York beat Buffalo 17-13 and Oakland beat Boston 27-14 in other games.

In the National League, Cleve-land took over the Eastern Con-

The Giants were tied by the Wash-ington Redskins 24-24 on a touch-down pass by Ralph Guglielmi with 25 seconds left.

The Pittsburgh Steelers defeat-ed the St. Louis Cardinals 27-14 and the Philadelphia Eagles whipped the Detroit Lions 20-10 in other games.

In the American League, Hous-ton retained first place in the Eastern Division with a 20-10 win over Dallas and Denver kept the top spot in the West despite a 28-19 loss to Los Angeles. New York edged Buffalo 17-13 and Oakland beat Boston 27-14 to round out the program.

Jack Larscheid's 47-yard touch-down run on the second play of the game sent Oakland winging as the Raiders ran up a 21-6 half-time lead. The Patriots got touch-downs from Al Miller and Butch Songin.

## No Tickets Left for Old Miss Game

LITTLE ROCK (AP) — If you plan to attend Saturday's Arkansas-Ole Miss football game, you'd better have your tickets in hand now.

There isn't a single ticket avail-able, says Allen Berry, manager of War Memorial Stadium here. "We could sell 25,000 more just as easily as we could sell one more," he said, "but there just isn't that one more."

The stadium has more than 30,000 seats and the game has been a sellout for months. Berry said the police force on the gates would be doubled "as a precau-tionary measure."

ference, lead with a 48-7 victory over Dallas while New York was tied by Washington, 24-24. Bal-timore kept pace in the West with a 31-17 victory over Los Angeles while Chicago won over San Fran-cisco 27-10. Philadelphia beat De-troit 34-10, Pittsburgh conquered St. Louis 27-14 and Green Bay was idle.

Houston's George Blanda kicked two field goals and passed 9 yards to Bill Groman for a touchdown. He and Davidson came out pre-ly even on their horated passing duel. Blanda getting 17 of 30 for 233 yards while Davidson had 10 of 34 for 230. Blanda had two in-tercepted. Groman snagged 10 for 140 yards.

Paul Lowe added scoring rumps of 12 and 44 yards for Los Angeles to Agajanian's field goals that were enough to stave off a 45-yard field goal by Denver's Gene Mingo and a touchdown by Al Car-michael in the last period.

Al Dorow's 1-foot plunge in the final 2 1/2 minutes gave New York its victory. Wray Carlton ran 54 yards for one Buffalo TD and Johnny Green passed 33 to Ed Dubenion for the other.

Jack Larscheid's 47-yard touch-down run on the second play of the game sent Oakland winging as the Raiders ran up a 21-6 half-time lead. The Patriots got touch-downs from Al Miller and Butch Songin.
